CONTRACT WITH GEORGIA

Vernon Jones

JonesForGeorgia.com

If elected to be your Governor, I, Vernon Jones, commit to the following:

ELECTION INTEGRITY

I will authorize a full, statewide forensic audit of the 2020 Presidential election. I will also form a committee to immediately explore replacement of the current Dominion voting machines.

GEORGIA FIRST ECONOMY

I will seek to dramatically reduce, if not fully eliminate state income tax in Georgia.

SECOND AMENDMENT

On Day 1, through Executive Order, I will make Georgia a Second Amendment sanctuary state. I will also work with the General Assembly to pass legislation making Georgia a constitutional carry state.

PROTECT OUR CHILDREN

Work aggressively to pass comprehensive legislation that would, in part:

- Ban political and social indoctrination from our schools
- Ban health care professionals from performing transgender medical procedures on minors

PLEDGE OF ALLEGIANCE

I will require all public schools in Georgia to recite the Pledge of Allegiance, daily.

HATE CRIME 2.0

I will continue my efforts, that began as a State Rep., to make it a hate crime to commit an act of violence against an individual due to his/her political ideology and/or affiliation.

PEACEFUL PROTEST ACT

We will protect peaceful protests, while enhancing penalties for those who commit violence or incite riots. Local governments may be held civilly liable if they choose not to maintain law and order or provide adequate protection of private property. I will instruct the GA State Patrol to shut down any illegal demonstration that obstructs an Interstate.

These legislative priorities - and all others - will be guided by one principle: Georgia First.

Signed,
