

Dear SCCPSS Families,

We thank you and your family for being our valued partners as we work together to educate the children in our district. As you may already be aware, building our social-emotional learning skills is an important goal for our school this year. Over the next several weeks, students and teachers will participate in several exercises to better understand these concepts and to reflect on how they perceive these skills in themselves.

We will be asking for your child to reflect on their own mindsets and approaches to learning via an online survey they will be completing [fill in the day/time and/or location i.e. at school/at home]. The survey shouldn't take more than 20-30 minutes to complete.

The survey content will ask students to self-reflect on the following: Challenging Feelings, Positive Feelings, Self-Management, Social Awareness, Grit, Learning Strategies, School Engagement and Valuing of School, School Climate, Sense of Belonging, Teacher-Student Relationships.

We are asking that all of our students participate in the surveys, as their responses will provide invaluable insights into their experiences and how we can improve and adapt our district to their needs. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether. The responses to these surveys will be completely confidential. We are partnering with a third-party vendor, Panorama, to support us in administering these surveys.

Please notify us if you would like your child to opt out of taking the surveys by filling in your name and your child's name below and returning it to school by **October 7, 2021**. We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact us at **NUMBER/EMAIL**.

Sincerely,
YOUR NAME

This portion should only be returned if you **do not** want your student to participate in the Panorama Social Emotional Learning Survey.

I do not want my child to participate in the survey.
