District 16

February 22, 2023

Brad Raffensperger,  
Georgia Secretary of State,  
214 State Capitol  
Atlanta, GA 30334

Secretary Raffensperger,

On January 30, 2023, Ben Johnson, the Chairman of the Board of Elections and Voter Registration for Spalding County, and Kimberly Slaughter, the Elections Supervisor for Spalding County, wrote you a letter requesting a response to their questions regarding the fake ballot that went through their machines on October 19, 2022.

To my knowledge you have so far failed to respond to their letter as well as their earlier requests for information regarding how a fake ballot was able to be counted as real. You failed to give them a wand to check for security paper, you failed to ensure that the Dominion Machines' security paper scanning capabilities were turned on, and you failed to advise Spalding County on how the fake ballot was counted so they could ensure there was no repetition of the fraud.

I am writing to request an immediate and detailed explanation of what your investigators found regarding the incident of October 19<sup>th</sup>, as well as a written plan as to how your office plans to prevent such fraud in the future.

Sincerely,

Marty Harbin,  
Chairman of Government Oversight
