A RESOLUTION URGING THE STATE SENATE TO PROTECT THE CONSTITUTIONAL RIGHTS OF GEORGIANS WITHOUT THE FEAR OF BEING DEBANKED FOR POLITICAL SPEECH, THOUGHTS, OR ACTIONS BY SUPPORTING SENATE BILL 341

WHEREAS SB 341, the Freedom of Speech and Belief Act, was introduced by Senator Blake Tillery and co-sponsored by Senators Colton Moore and Greg Dolezal among others and commonly called the "DeBanking" bill; and

WHEREAS the big business lobbyists for the banking industry, every Democrat in the Senate, and the "Never Trump" faction of the Republican caucus fought this common-sense conservative protection for our constitutional rights; and

WHEREAS President Trump, the Trump Organization, Melania Trump, Barron Trump and other Trump family members have been debanked in the past few years; and

WHEREAS President Trump's lawyer, John Eastman, a former law clerk for Justice Clarence Thomas, was also debanked recently; and

WHEREAS Daniel Defense, a Georgia firearms manufacturer was debanked twice due to their production of guns which liberals, RINOs and other opponents do not like; and

WHEREAS US Senator Sam Brownback's non-profit, the National Committee for Religious Freedom, was debanked in 2022; and

WHEREAS The Trump Organization filed suit against Capital One Bank on March 8th, 2025 for over 300 instances of debanking just one day after the liberals in the Georgia State Senate defeated the original debanking bill, SB 57; and

WHEREAS Senator Blake Tillery is continuing the fight to protect the constitutional rights of all Georgians by introducing a new debanking bill, SB 341, and has the support of Lt. Governor Burt Jones and ten other Republican Senators as co-sponsors;

BE IT THEREFORE RESOLVED that the Henry County Republican Party meeting in convention urges the Georgia State Senate to pass SB 341 which allows a method for citizens to defend themselves against the actions of big banks that threaten political speech, religious thought and freedom of association;

AND BE IT FURTHER RESOLVED that the Henry County Republican Party urges the Georgia General Assembly oppose efforts to stop these vital protections and instead support SB 341, our President, and the constitutional rights of Georgians.

BE IT FURTHER RESOLVED, that this resolution be sent to the Governor Brian Kemp, General Assembly leaders, and the relevant officials for action.

Adopted this 22nd day of March, 2025, by the Henry County Republican Party.
